

From,

Manoj Kumar Singh
Additional Chief Secretary
Government of Uttar Pradesh.

To,

All District Magistrates,
Uttar Pradesh.

Revenue Section-11**Lucknow: Dated 08 July, 2021****Subject: Regarding providing ex-gratia assistance to dependents of persons deceased due to rabies.**

Sir,

With reference to Government Order No. 2030/20/11-2018-4(05)/2015 dated 02.08.2018, rabies has been declared a State Disaster, and in case of death due to rabies, provision has been made to provide **ex-gratia assistance of ₹4.00 lakh** to the dependents of each deceased person.

- 2 It has come to the notice of the Government that for certifying death due to rabies, viscera examination of the deceased is being conducted and ex-gratia assistance is not being provided to the dependents in time while awaiting the viscera report. As per the State Medico-Legal Cell, there is no necessity of preserving viscera in rabies cases for sending reports, and they have clarified that rabies is not confirmed through viscera examination.
- 3 On the advice of the State Medico-Legal Cell and considering that viscera reports are not useful in confirming death due to rabies, it has been decided that in order to provide ex-gratia assistance to the dependents of persons deceased due to rabies, the following prescribed procedure shall be followed:
 - (1) **Panchnama of the case shall be registered.**
 - (2) **Post-mortem of the deceased shall be conducted.**
 - (3) **After post-mortem, there is no requirement to preserve viscera of the deceased.**
 - (4) **In case of death due to rabies, ex-gratia assistance shall be provided to the dependents of the deceased within a maximum of 07 days.**
- 4 Therefore, I am directed to request that in cases of death due to rabies, while following the above procedure, ensure that cases related to providing ex-gratia assistance to the dependents of the deceased are disposed of within 07 days.

Yours faithfully,

Manoj Kumar Singh
Additional Chief Secretary

No.: 157(1)/एक-11-2021, dated as above
